

Aftercare – Extra Murals

Dear parents,

Please fill in the **extra murals** that your child will attend in **term 1/2014**, sign it and give it back to us **before 31.01.14**. This is for us to have an overview where your child is and to update our extra mural list. For the correctness and up-to-datedness of this list we cannot guarantee. In case of any changes, please inform us in written. **Be aware:** Filling in this list doesn't mean to sign your child in for the extramural!

Your child is attending the extra murals on his/her own behalf and straight afterwards self-reliantly comes back to the aftercare facilities. **We cannot take responsibility for children, who are not on the aftercare premises.** Thank you so much for your support and for your understanding.

Friendly regards

Your Aftercare Team
